

Downtown Milford, Inc.
Board of Directors
Saturday, February 2, 2019

Members Attending: Matt Babbitt, Denise Morris, Jason Peel, Cat Perfetti, David Pickrell, Sara Pletcher, Lang Redden, Peggy Reilly, Pat Sparks, Robert Starkey, Kelly Turner, Tod Van Eyken

Guests Attending: Sonja Frey

Executive Director: Murrie Zlotziver

Excused: Sher Valenzuela

The meeting was called to order at 9:30 AM.

The minutes of the December meeting were accepted after a motion was made by Peg Reilly, seconded by Tod Van Eyken, and approved by all board members in attendance.

A unanimous, electronic vote was cast on January 14, 2019, to change the date of the Bug & Bud Festival to Saturday, May 4, 2019.

Sonja Frey, Mispillion Art League Manager, spoke to the Board about an event they would like to hold in Milford in October. Simultaneously, there would be events in all three counties so that folks who wish could travel throughout the state. It would be organized by the Mispillion Art League working with a company called BigDraw.org. The Art League is looking for five partners to host events. Involvement of local businesses is key to the success of this event. For example, they are considering asking Lifecycle to donate spare bike parts which could then be turned into sculptures. The Art League would approach Bayhealth for funding. MAL is not looking for anything from DMI at this point, but may ask for assistance as events are confirmed.

President's Report: Included in the package that was emailed to all Board members.

- After much discussion about when it would be best to hold officer elections given the new fiscal year, Pat Sparks made a motion to hold elections in July. Tod Van Eyken seconded the motion and it was approved by all Board members in attendance. Sara Pletcher, Pat Sparks, and Bob Starkey will remain on the Board until their term expiration on Oct. 31.

Executive Director's Report: Included in the package that was emailed to all Board members.

- Murrie explained that we have been offered a package by ABC47 to run four ads over five months. Because the new package would eliminate the production costs for the current ads as well as any new ads, he believes it is a good value for the money. Under consideration is an ad specifically aimed toward 3rd Thursdays. We can also put the ads

on our website to further their impact. Murrie was asked if he had reached out to WBOC. While he has not as yet, he will contact them to see what they might offer.

Treasurer's Report: The Treasurer's Report was handed out at the meeting

- The Treasurer's Report was accepted after a motion by Pat Sparks, seconded by Lang Redden, and approved by all Board members in attendance.

Design Committee: Included in the package emailed to all Board members.

- The Design Committee needs a chairperson. Murrie Zlotziver is currently serving in that capacity. It was brought up that ideally, the Executive Director should not serve as a standing committee chairperson nor as an event chairperson.
- David Pickrell, with assistance from Marcia Reed, will coordinate the Easter Flower Sale and Milford in Bloom. Sara Pletcher told him that Not Too Shabby, a Milford business, is going to be carrying flowers and he should talk to them about using their supplier for both events.

Economic Vitality: The report was included in the package emailed to all Board members.

- The Economic Vitality Committee needs a chairperson. Walt Hepford is still serving in that capacity but he would like to step down.
- Shipyard update: Sussex County Council has not yet committed funds to this project. However, Senator Carper was in Milford and was given a tour of the site. He suggested that we invite the board of the Wilmington Riverfront to come down and offer suggestions as to how to proceed. As a side note, the recent article regarding the project made it to China via the AP.
- A new subcommittee has been formed to assist with Business Recruitment. This committee is tasked with developing a packet of information to be given to potential businesses, developing a process to ascertain what businesses would be a good addition to Milford's downtown, and a way to approach them so that all businesses are approached the same way. The committee is developing letters and other items to standardize the approach.
- Farmer's Market update: The vendor application is available online. Eleven have been completed which includes three new vendors. This year the vendors will need to supply their own tents and tables or they can rent them from the Farmer's Market. This will allow the committee to not be required to hire someone to help with set-up and will relieve some of the pressure on Market Masters and other volunteers as they will not be responsible for set-up or breakdown. The Farmer's Market Committee is working closely with the Bug & Bud Festival committee to make sure that May 4 is a good day for everyone involved. When asked about the cost for one week, Lang Redden stated that it is \$25 for one week.

- 3rd Thursday: Food trucks will pay \$50 a month to participate this year. If they show up, the committee is considering giving them \$25 back. There are more than 15 businesses committed to being open on 3rd Thursday year-round. These businesses are also committed to the Shop Small/Shop Local button program.
- Cat Perfetti announced that she is opening a Pierogi shop next to Delaware Branding and the kayak rental shop. This will mostly be a take-out business but she will have a few tables and chairs available for customers who would like to eat-in. She is hoping to be open for the Pub Crawl. Cat also announced that she is opening a bed and breakfast over the pierogi shop.

Organization Committee: This report was included in the package emailed to all Board members.

- We need to find a new volunteer coordinator. Pat Sparks will begin looking now and will ask the committee members for suggestions.
- Pat handed out a spreadsheet showing Big Ask contributions to date. While response is slower than we had hoped, it was pointed out that the Big Ask went out much later than anticipated. Since we have received two donations totaling \$1,250 that were not earmarked for an event, there was discussion as to where to put those funds. While the Executive Director gave instruction to the Treasurer, Pat Sparks felt that the donors should be contacted to see if they had any instructions. Going forward, we need to determine how to handle donations made indicating use as needed or with no designation. After discussion, it was decided that the Organization Committee would contact donors who do not designate a specific event if their donation would provide them with a sponsorship opportunity.
- The Georgia House fundraiser has been rescheduled for Monday, Feb. 25, 2019. Board members are asked to volunteer two hours that evening to help make things run smoothly. Tickets will be available Monday.
- Sara Pletcher suggested the Organization Committee contact a group called Chicks for Charity and gave Pat the contact information. This group holds very successful fundraisers.

Promotion Committee: This report was included in the package emailed to all Board members.

- The Board was shown the Santa House 2018 photobook that will be on display at the House in years to come. This book was also given as a gift to the following businesses/individuals who supported the 2018 House: First State Manufacturing, Gallery 37, Carlisle Fire Co., Not Too Shabby, Nadia Zychel, and Todd Cullotta.

New Business:

- The Nominating Committee will need to be in place by the April Board meeting.

The meeting was adjourned at 11:24 AM with a motion by Pat Sparks, seconded by Peg Reilly, and approved by all Board members in attendance.

Retreat: During the Annual DMI Board Retreat, the Board asked Sara Pletcher to write a letter to City Council expressing concern regarding the lack of code enforcement despite DMI's efforts to facelift Downtown. The Board also asked the Design Committee to identify and send a letter to Downtown businesses that could benefit from DMI's grants and funding.

The next meeting of the Board of Directors is Thursday, March 7, 2019 at 6:00 pm, in City Council Chambers.

Respectfully submitted,

Pat Sparks

Board of Directors
December 6, 2018

Members Attending: Denise Morris, Jason Peel, Cat Perfetti, David Pickrell, Sara Pletcher, Lang Redden, Peggy Reilly, Pat Sparks, Robert Starkey, Kelly Turner, Tod Van Eyken, Sher Valenzuela

Guests Attending: Nina Pletcher

Executive Director: Murrie Zlotziver

Excused: Matt Babbitt

The meeting was called to order at 6:00 PM.

The minutes of the October and November (Annual Meeting) were accepted after a motion was made by Peg Reilly, seconded by Lang Redden and approved by all board members in attendance.

President's Report: Included in the package that was emailed to all Board members.

- Sara Pletcher mentioned that the Santa House is going very well. The arrival of Santa by the antique fire truck, accompanied by elves Dave Pickrell and Marcia Reed on the motorcycle was a big hit! Santa will arrive most days on the motorcycle.

Executive Director's Report: Included in the package that was emailed to all Board members.

- We will be taking television ads in January through March. These will feature DMI's accomplishments and mission as well as some event advertising toward the end of the contract.
- Murrie Zlotziver has received word that the new grant cycles are starting. Specifically, we will ask the Delaware Division of the Arts for \$10,000 this year. Based on the success of the Ladybug Festival in September, we believe that this request is feasible.
- The Sail Banners will go up in the Spring as the City takes down the holiday banners. We will be offering the smaller banners to businesses and individuals at \$200 each.
- The "Shop Early, Shop Late, Shop Local" buttons are in and will be distributed to customers by merchants during the Holiday Stroll. These buttons entitle the wearer (they must be worn) to a 15% discount in each store. It is up to each merchant to determine whether the discount will be on the entire purchase or on a specific item.

Treasurer's Report:

- Bob Starkey explained that the report is based on a full fiscal year. He will provide an updated budget based on our fiscal year now ending on June 30, 2019.
- The Treasurer's Report was accepted after a motion by Pat Sparks, seconded by Lang Redden, and approved by all Board members in attendance.

Strategic Plan:

- Sara Pletcher provided a brief update. We are starting to perform as laid out in the document. The "Big Ask" campaign is the first major step as the Organization Committee is seeking the first wave of donations for all events.

Design Committee: Included in the package emailed to all Board members.

- The Design Committee needs a chairperson.
- The Holiday planting went well. There was great cooperation from the City, with 10 members of the Parks and Rec staff joining 10 citizens.
- Wreath sales are happening. There are about 55 pieces left that will be offered for sale during the Holiday Stroll.
- The issue of parking downtown was discussed with the desire to have Walnut Street made one-way and additional parking be put on the street. While the City is still considering the issue, it was noted that Ben Muldrow, while working on the City Rebirth Plan, said he would not recommend making Walnut Street one way. It was noted that Walnut Street belongs to the State of Delaware and DelDOT would have to be involved in the process.
- On January 7, 2019, at 6:00 pm, there will be a meeting to present the new design guideline.

Economic Vitality: The report was included in the package emailed to all Board members.

- Shipyard update: Sher Valenzuela reported that the committee is working on finding the funding to move forward. Business leaders as well as the City and Kent County are excited to see this project move forward. We have received a commitment for \$15,000 from the City and we'll be asking Kent and Sussex Counties for at least that amount. Additionally, Mark Carter has suggested holding Beer & Cheese Cruises to help raise funds.

Organization Committee: This report was handed out at the meeting**Promotion Committee:** This report was included in the package emailed to all Board members.

- Nina Pletcher announced that this committee would not meet in December.

Old Business:

- Lang Redden indicated that no additional work has been completed on the house. She will ask the contractor for a definite time commitment. If he cannot give her one, Lang will put the remaining work out for bid.

New Business:

- Board of Directors were reminded that they are required to serve on one of the four committees. New members may take time to visit the committees to make the best decision for them.
- The Board Retreat will be held on February 2, 2019 from 9:30 to 1:30. Location will be announced once it is confirmed, but most likely will be in the library.
- CNCS AmeriCorps Opportunity: There is a possibility that DMI may be given the services of a volunteer. Noa Kornbluh was our last AmeriCorps VISTA member and we are hoping that we may once again use the services of a volunteer.
- Murrie Zlotziver, Sara Pletcher, Eric Norenberg, and Chief Brown will be meeting on December 17 with merchants and citizens to discuss the issues raised by the owner of Touch of Italy.

The meeting was adjourned at 7:30 PM with a motion by Pat Sparks, seconded by Peg Reilly, and approved by all Board members in attendance.

The next meeting of the Board of Directors is Saturday, February 2, 2019, at 9:30 am, location TBD.

President's Report
December 2018 & January 2019

Officer Elections

- With the new fiscal year ending on June 30, our bylaws state the following:
 - Article 6, Section 3. Prior to the last meeting of the fiscal year, a five-member Nominating Committee shall be appointed by the President with Board approval. This committee, chaired by a Board member and including at least two non-board members, will select candidates for the Board of Directors. The Nominating Committee shall submit its list for Board approval at least forty-five (45) days before the last meeting of the fiscal year. Directors so elected shall serve a term beginning on the first day of the next fiscal year.

If election is not held or the new directors fail to assume the duties of their office, the directors holding office shall continue to act as directors and shall have full power and authority to act as same until such time as new directors have been elected and assume their duties.

- Article 6, Section 6. Any vacancy on the Board may be filled for the balance of the term by appointment through a majority vote of the Board.
- Article 8, Section 1, E. Temporary Officers. In case of the absence or disability of any officer of the Corporation and of any person authorized to act in his or her place during such periods of absence or disability, the President may from time to time delegate the powers and duties of such officer to any other officer or any other Board of Directors member.
- Bob, Pat, and I have terms expiring on Oct. 31, so we need to decide if we should hold an election prior to the June 30, 2019 deadline and re-elect Bob, Pat and I and then temporary and/or appointed officers will fulfill the term from Nov. 1-June 30, 2020 OR should new officers take over effective July 1, 2019. This needs to be discussed and voted on at the Feb. board meeting/retreat.

CNCS AmeriCorps Opportunity

- Murrie and I chatted with Briana and Betsy from the Corporation for National Community Service on Jan. 8 about DMI applying for a VISTA AmeriCorps volunteer again. We discussed this volunteer would create a small business incubator program. They sent us the information to apply and I'll be working through that in February. The earliest this volunteer would start could be August.

Nationwide Healthcare Facility

- Murrie and I met with Daphne Brumbrey on Dec. 11 to discuss how the new Nationwide facility can incorporate Downtown. We suggested she talk to Arena's and Dolce about opening second locations in their lobby and when purchasing art, to work with Marcia Reed and MAL.

Electric Bill Insert

- The City and DMI will print a shared insert in the mid-February to mid-March electric bills. Our portion (one side) will be our 2019 Event Dates. Their portion (other side) will advertise the Efficiency Smart Program. DMI's portion will be ~\$600, which is less than the \$650 budgeted for this project.

Senator Carper's Visit

- Senator Carper and his staff met with Murrie, Sher, Eric Norenberg, Mayor Archie Campbell and I on Jan. 22. We chatted for 1 hour at the DMI office about the organization, our programs, and funding. We then toured the Vinyard Shipyard for 30-45 minutes where he got a tour from Joan and Sudler Lofland, was interviewed by WRDE, and agreed to write a forward in a new book about boats named Delaware that Joan presented to him.

Economic Vitality Committee meeting minutes

Attendees: Present: Walt Hepford, Pat Abel, Bill Pfaffenhouser, Sher Valenzuela, Dan Bond, Eugene Helmick, Murrie Zlotlier, Rob Pierce

Murrie Zlotlier introduced David Root from the University of Delaware Small Business Development Center.

Sher Valenzuela and Pat Abel explained the One Million Cups group which exists to spur and support entrepreneurship.

Pat Abel presented information on a possible new business he has been courting. Also discussed were recruitment efforts and how he and Murrie will be contacting Milford Chamber of Commerce in an effort to work with them to promote DMI. Pat also suggested using DMI's ads to seek prospective retailers.

Murrie Zlotlier reported that retention stats are looking good and the merchants were happy with the Holiday Stroll.

Eugene Helmick reported on the brochure effort and that another pass at refreshing then would be done after the holidays.

Rob and Bill will work with Murrie to get the recruitment package on the website. The Building Inventory will be made available to the committee.

Sher Valenzuela and Dan Bond reported on the ship yard effort noting that they will be meeting with Sussex County to request funding assistance for the viability study. They also reported that they had already met with Kent County and had received contributions from them. They also felt that raising the balance of the money for the study will not be that difficult to raise. Given they had already raise half the money needed the study would soon start. Sher reported DE Turf is in support of the Ship Yard effort.

Walt Hepford reported on the Entrepreneur Network and Murrie filled in David on the functions of group. Murrie also explained the strategy and concepts behind Third Thursday.

Dan Bond provided an overview of the Opportunity Zone program and its advantages for North Milford that has been designated as one of the zones.

Murrie Zlotlier and Rob Pierce presented Murrie's efforts to establish a Business Improvement District in Milford. Funding for this would be by merchants and real estate owners.

Volunteer hours- Dan 40, Sher 30, Peg 20, Bill 12, Walt 4, Pat 3, Ed 2, David 2, Total 113

Our next meeting will be on February 19th at 4:30.

Organization Committee
December 2018/January 2019

In December, Tod, Murrie and Pat met to begin stuffing and labeling envelopes for the Big Ask campaign. It was a one hour meeting as all labels were not prepared. The rest of the mailing was prepared the Friday before Christmas, so went out much later than originally planned. Just a side note that Sara, with some assistance from Pat, included a handwritten note in most mailings. Thank you to those board members who also picked up blank envelopes and sent them out. Your assistance is most appreciated.

The January meeting was attended by Nancy Benson, Jason Peel, Hilary Valentine, and Murrie Zlotziver. Most of the meeting centered around 2 items. One was the change in date for the Bug & Bud Festival. The Organization Committee felt that, since we are handling most of the fundraising for events this year, we should have some input into the date change. Given the possible loss of many volunteers as well as some of the entertainment, the committee members in attendance agreed that we should move the festival.

The second item is the proposed Georgia House Fundraiser. Because of the amount of time the Big Ask campaign took, we decided to postpone the event till February 25. Tickets will be available by the end of January. Committee members are asked to talk it up and invite friends, family, and co-workers to join us. Members of the standing committees and the Board of Directors will be asked to fill in the volunteer spots.

Finally, we looked at the responses to date for the Big Ask campaign. We have received three responses totaling \$450.00. \$200 is designated to Milford in Bloom and \$250 we are free to "use where needed." There is a fourth, major sponsor, coming in once the company decides where they want the money to be allocated.
